LEGO® Summer Camp

**Build A World of
Our Own!**

**June 26 – June 30
July 10 – July 14**

Mon-Fri 8:30 - 4

Open to Ages 7 – 11

@The Center for Arts and Learning

Our LEGO® loving campers will construct a world of their own from **thousands** of LEGO® building bricks.

Working alone or in groups, every child will **create** pieces for our collaborative world.

Guided by **imagination**, they'll build spaceships, castles, bridges, animals, vehicles, boats, race cars and forts, whatever they decide is necessary for their world.

Please send lunch, snack, bathing suit and towel (for water play on the playground.)

Fun, educational, **hands-on**, with time each day for outside play, show and tell, and story time.

We'll have an **exhibit and demonstration** of our work at the end of the week! Join us to take your LEGO® **craft** to the next level.

Ellis Jacobson, is our Camp Director. Ellis is known for his widely exhibited sculpted masks and has presented arts enrichment workshops throughout Vermont.
